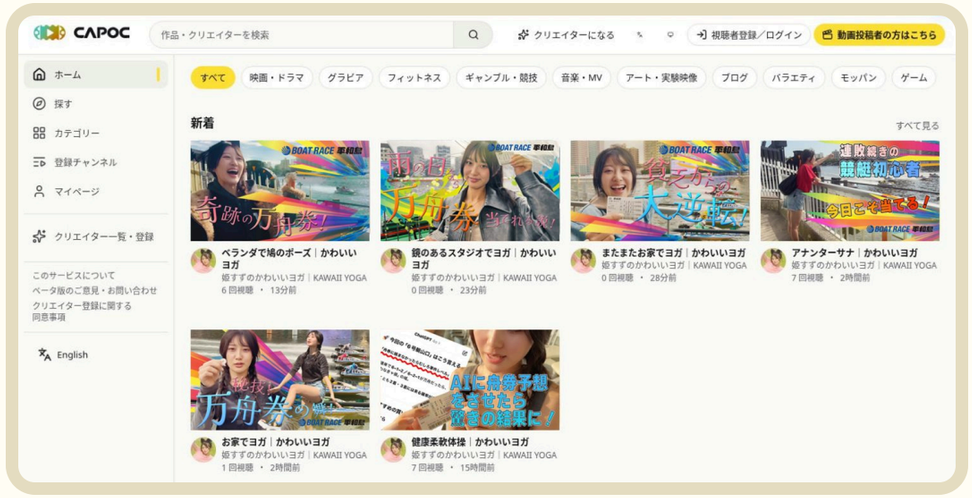
CREATORS WANTED

CAPOC

Monetize again.

Even if YouTube stops monetizing your videos,
your creative work still has value.

A new home for creators
who haven't monetized yet.
Each work is reviewed
under CAPOC's own standards.



Actual CAPOC interface

01
Independent standards

Works that could not be published or monetized elsewhere receive individual review.

02
Glamour-friendly

Glamour, fitness, drama and more.
A home for a wider range of expression.

03
Monetization program

Publish your work and aim to earn.
Free to post. Free to watch.

Give your videos another place to shine. **capoc.jp**

Publishing and monetization are subject to review and eligibility. See capoc.jp for revenue-share terms and timing.

MYAON

ALL FEATURES FREE

Show your work, your way.

Photos, updates, and a place for work inquiries.

A page of your own that shows what you do, for free.

1 Use it as your official page

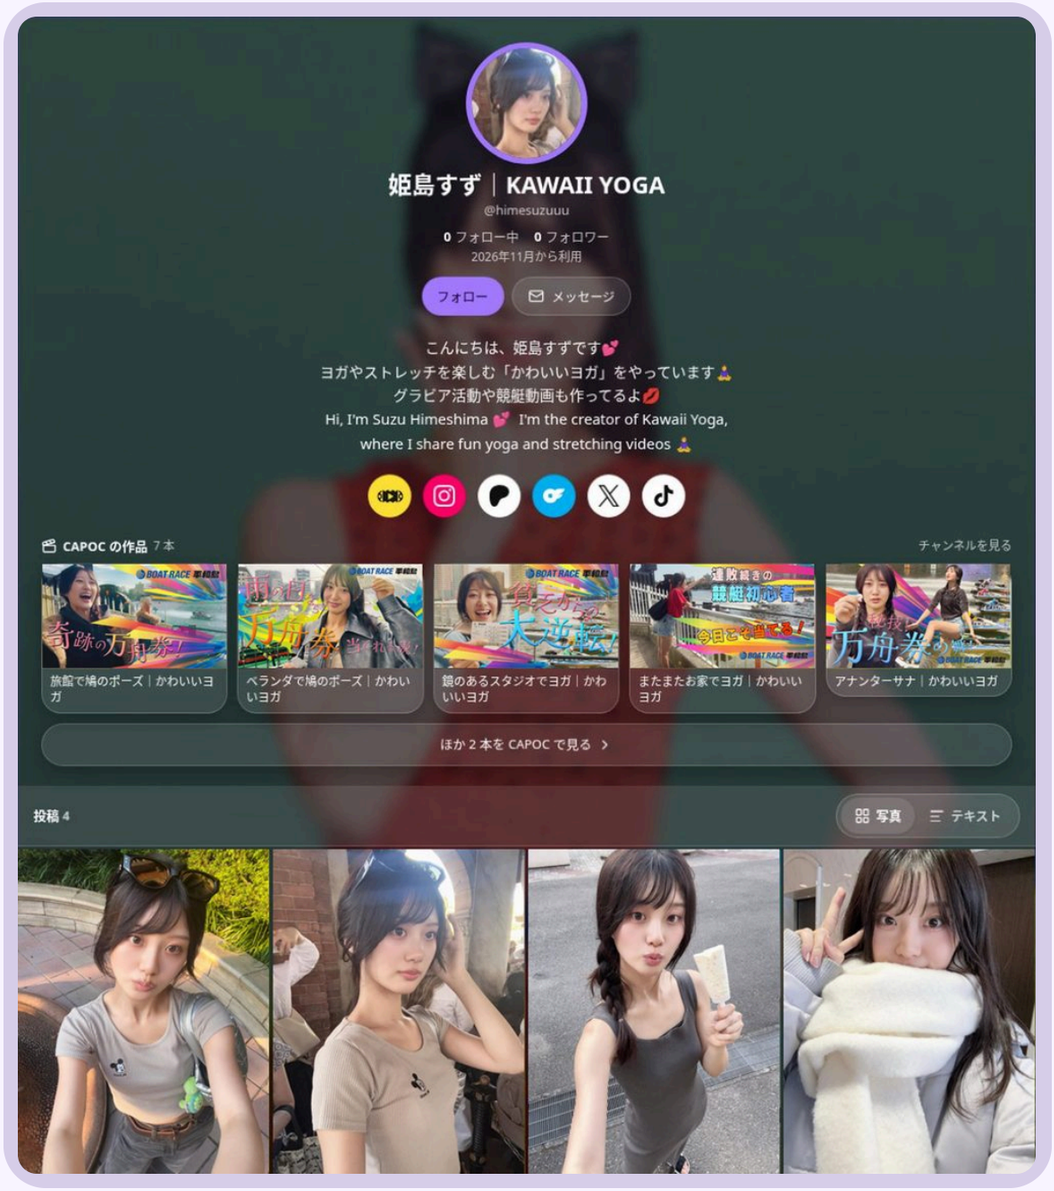
Photos, posts, links and videos, all on one page.

2 Present it your way

Choose the order of your best work
and the design of your page.

3 Keep the accounts you already have

Keep X and Instagram as they are,
and add one more place to post.



Actual public profile

Free official pages for businesses, too.

myaon.jp

MYAON / FOR YOU

Who it's for

A page of your own for people who want their work seen.

Actors & artists

Share your appearances and work on one page.

Cosplayers

Tag characters and series, and line up your best work.

Photographers

Present your photos as a body of work.

Photo session models

Keep your schedule and booking links on one page.

Businesses & groups

Invite members and post to one shared page.

MYAON / PAGE

A page is built from four parts.

Show only the parts you use, and arrange them in any order.

01

Posts

Share photos and updates
anytime.

02

Links

Your official site, shop, other social accounts and more.

03

Portfolio

Pick your best work and pin it in your own order.

04

Community (boards)

A place for you, your fans
and friends to talk.

MYAON / PORTFOLIO

Your best work, in your order.

Posts appear newest first.

Your portfolio shows the photos you choose, in the order you like.

Illustration of the screen

01

Arrange freely

Portrait and landscape photos fit together without cropping.

02

Pick from photos you've posted

Choose from your posts and they appear in your portfolio.
No need to upload again.

03

Found by character and series

Add a character and series name to your cosplay photos,
and people can find them in search.

Make your profile your own.

Customize the look, colors and links to reflect you or your brand.

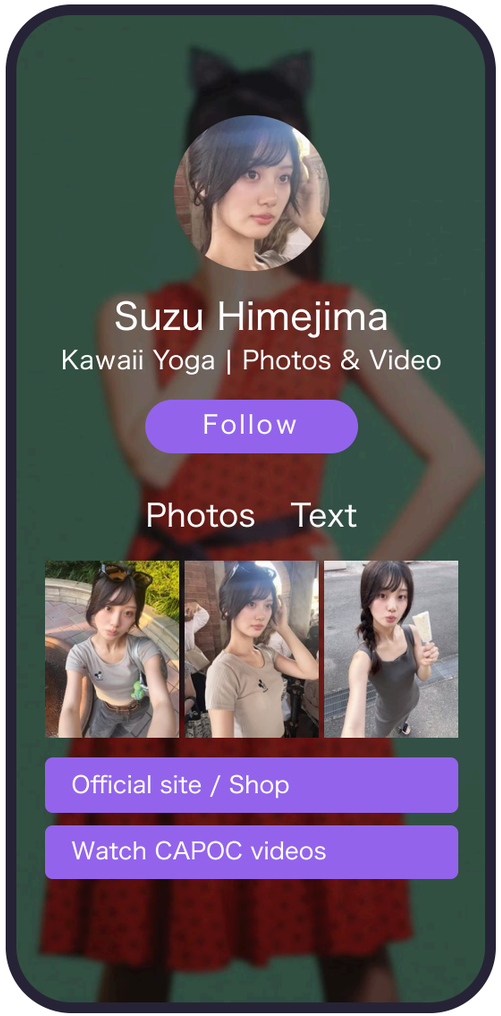


Photo-first

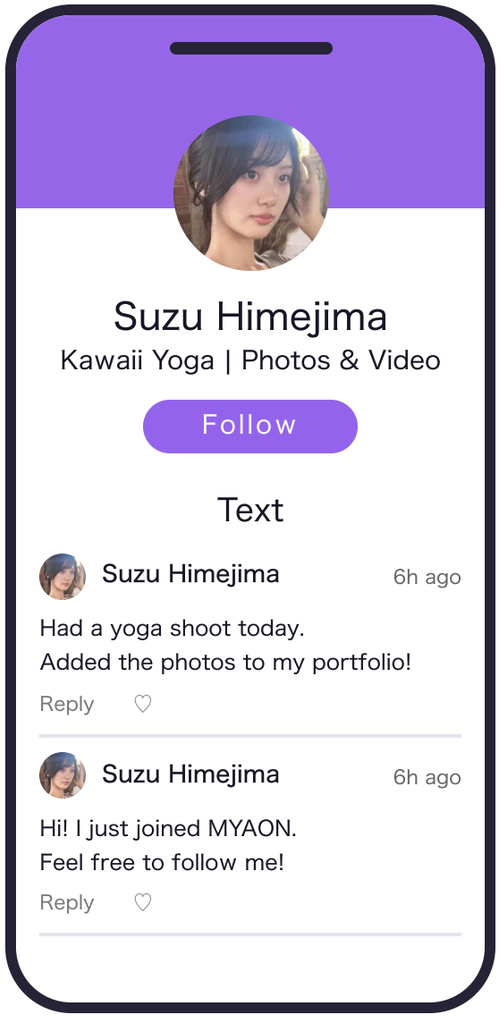
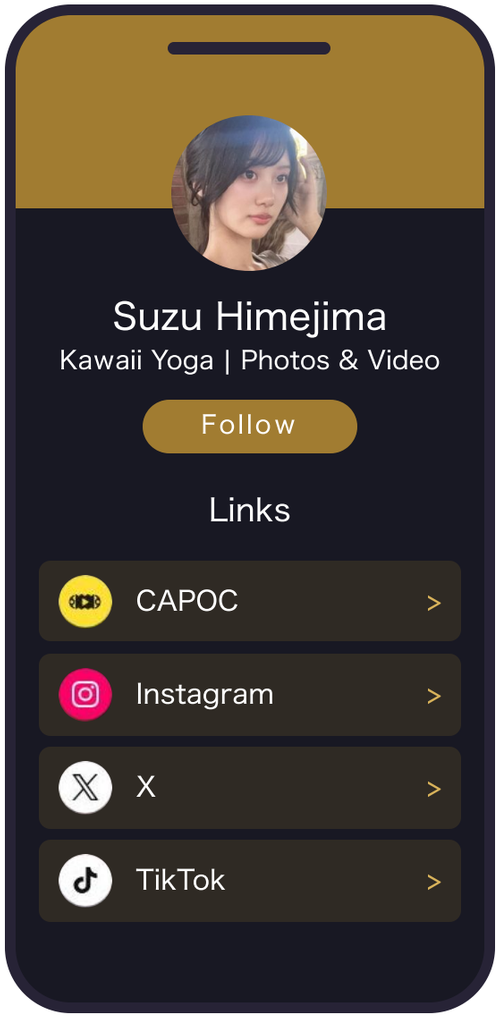
Like Instagram



Text-first

Like X



Link-first

Like lit.link

01

Background & colors

Create your look with photos and color.

02

Profile

Keep your bio and brand always easy to find.

03

Links

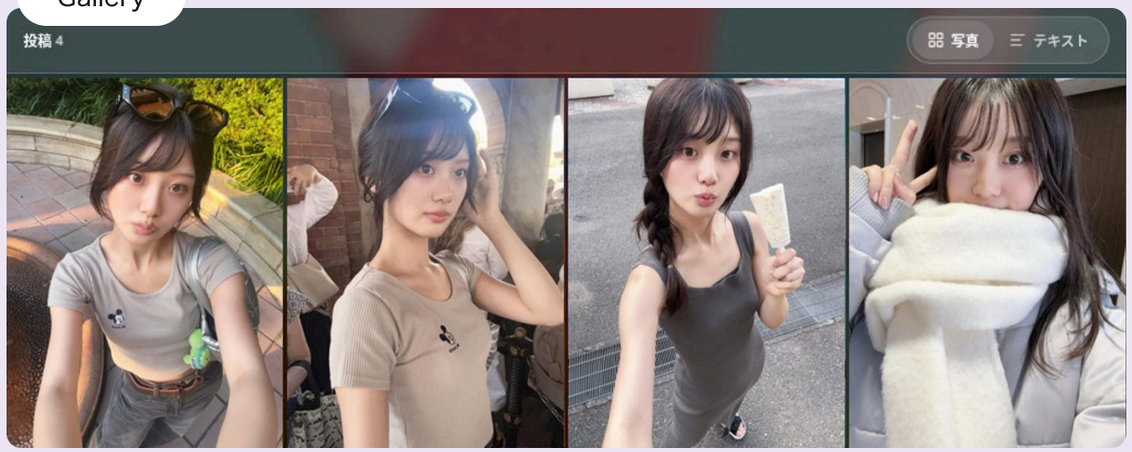
All your bookings, shops and social links together.

MYAON / PHOTO + TEXT

Show it in photos. Say it in words.

Switch between gallery and feed views with a single tap.

Gallery



Photos, like a gallery.

Show your work and brand at a glance.
Open an image to read its story, too.

Text feed

Updates, like a timeline.

Read updates; images appear as thumbnails.

One account for both photos and text.

Screen: public profile at myaon.jp/u/himesuzuuu

MYAON / START

Get started in three steps.

1 Create an account

Just enter a display name, ID, email,
password and date of birth.

2 Add your profile and links

Write a short bio and add links
to your site and other
accounts.

3 Post photos and arrange them

Pick your best work for your
portfolio
and put it in the order you like.

Every feature, free.

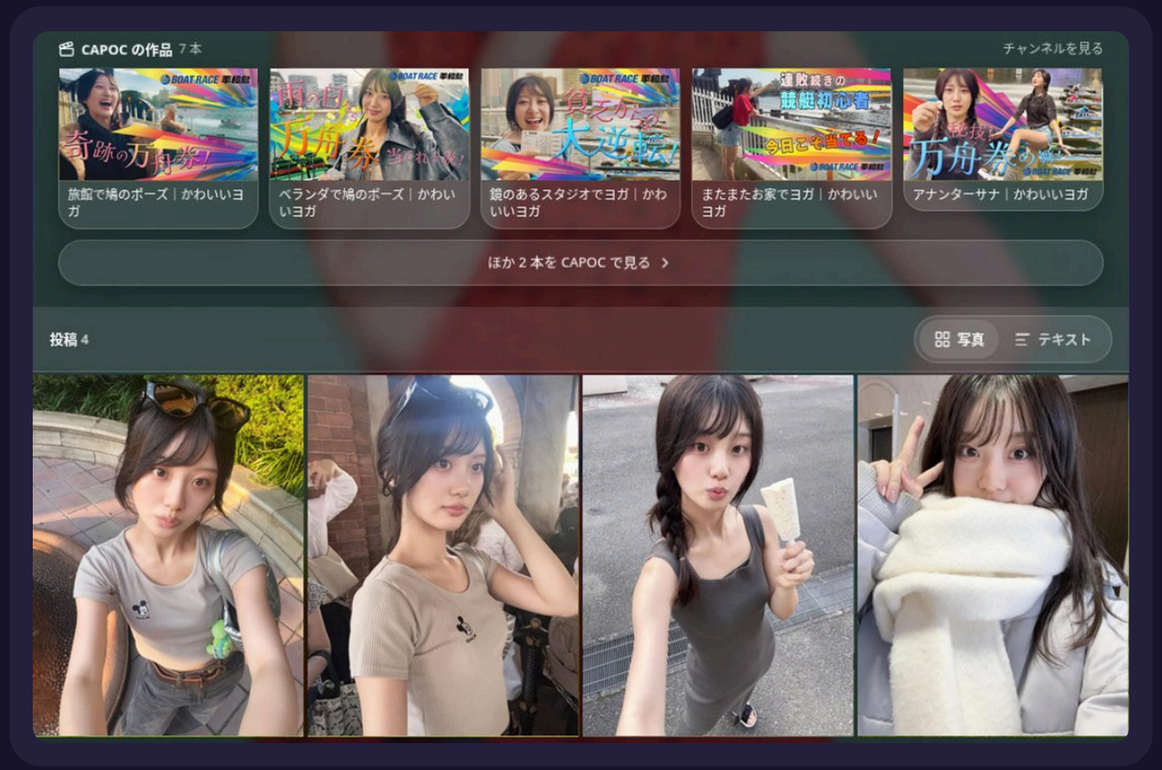
CAPOC × MYAON

One video. A community of fans.

More than publishing: keep the conversation going.



CAPOC videos on your MYAON profile, all in one place.

1 Publish on CAPOC

Independent review. Aim to monetize.

2 Share on MYAON

Promote with photos, updates and links.

3 Connect through boards & DMs

Per-video discussions also appear on CAPOC.
Creators and fans can talk in one place.

Great for businesses and groups, too.

Invited members can post to a shared page.
Build personal fanbases and grow together.

Start with a page of your own.
